**Proposal 6:** Adds a defined term: "*Principal Officers*"

**Proposal 7:** Changes "*Appointed Officers*" to "*Principal Officers*" and enhances the language on qualifications of "*Principal Officers*"

### **John Cherry's Amendments to Proposals in Article 1:**

**Proposal 8:** This amendment pulls the language from the Home Rule City act and eliminated portions that are not applicable due to city size etc. It also adds some language (highlighted in yellow) that is not included in the home rule city act.

**Proposal 9:** Keeps us in MERS

**Proposals 11 and 13:** Reorganized this a little bit. Eliminates some language from proposal 11, and adds language to proposal 13 that addresses what was removed from proposal 11. The language comes from the ordinances that were adopted after the 74 charter to address good government and conflict of interested, and altered slightly with some language utilized by the State of Minnesota to address conflicts.

**Proposal 12:** Spells out more clearly the requirements and process for forfeiture
