Guiding Principles for the City of Flint Charter Review Commission

The City of Flint Charter Review process will be open to all Flint citizens. The Commission will ensure that public voices are recognized and that information is open and accessible to the public. The Commission will go to where the people are and will reach out to residents and businesses from all wards. The Commission will seek to engage and educate the community on the City of Flint Charter and will consider all ideas heard in the community. (Adopted June 18, 2015)
